Eco tours, Adventures and Surfing

While in Nosara you'll have a list of exciting tours and adventures to experience.....more than can be done in a week. From sport fishing to ATV Rally Adventures, we have a lineup that will thrill all members of the group. Most tours are half day adventures so there will be time for meetings in between the fun. Surfing is a favorite here as the waves are perfect for first time rides yet offering consistent waves outside that entertain the seasoned veterans. The Zip Line tour in Nosara is the highest and longest in Latin America. And the sport fishing, well, we've enjoyed many nights of fresh Tuna, Mahi Mahi and Red Snapper, and lots of photos of exhausted anglers.

Getting to Tierra Magnifica

Most guests arrive into the San Jose International airport and then hop on our 30 minute charter flight to Nosara. Tierra Magnifica is just 10 minutes up the hill from the airstrip in Nosara. A mid-day arrival into San Jose and a quick turnaround to the charter terminal for your private flight to Tierra Magnifica will have you dipping your feet into the ocean with a cold bottle in your hand by 3:00 PM.

We'll arrange the charter flight according to your arrival and departure schedule and provide all in-country transportation. If you prefer to fly into the Liberia International airport (LIR) we can have our driver meet you at baggage claim and bring you to Tierra Magnifica in our private van. The ride from the Liberia Airport is about 2 hours.

Sample Itinerary

Day 1

Your Costa Rican tropical forum experience starts out with a mid-day arrival into the International Airport, San Jose (SJO) or Liberia (LIR). Our driver will be waiting for you outside of customs and baggage claim to get you on your way to Tierra Magnifica. If arriving into San Jose, we'll escort you to the charter terminal where your private charter flight to Nosara is waiting. The 30 minute flight takes a picturesque route over the mountains of San Jose and the bay of Nicoya, finishing with a swooping turn over the ocean and beach where Tierra Magnifica can be seen outside the right windows. For the Liberia arrivals, our driver and private van will be waiting for you with a stocked cooler to rehydrate you with your choice of beverages. Once at Tierra Magnifica we'll take care of your luggage while you shed your travel cloths, sample our signature homemade guacamole, salsa and chips, and take in the views. You're welcome to hang out at the pool, or we'll head down to the beach where we'll have chairs and a beach bar set up for our legendary sunsets. Back up at Tierra Magnifica, the bar is open and dinner will be served on your schedule.

Full Days 2 & 3

The forum retreat experience is set up to be a flexible schedule to accommodate member forum meeting time, individual personal respites, casual socializing, group nature excursions and adventures and plenty of beach time including surf classes. Forum meetings will be held in our private rancho below the guest rooms or in the pool-side outdoor balcony dining area, both of which offer incredible views of the ocean and rain forest valley but with total privacy. In the mornings and afternoons you will be able to participate in your choice of nature tours and eco-adventures, walks in the forest and along our pristine beach, and we'll have massage therapists on call for an on-site relaxing outdoor session. Breakfast and lunch will be served in our open-air restaurant at your convenience and to suite your time schedule.

For your second or third night, we recommend dining out to enjoy the local flavors, sights and sounds; we'll make reservations at one of our favorite restaurants in Nosara; La Doce Vita, owned and operated by a native Northern Italian chef, and a spectacular beach-side sunset viewing restaurant called La Luna. The casual jungle settings of these establishments might surprise your taste buds as the food is fantastic. Since we are in the beach community, why not stop in one of the local haunts after dinner for live music and a taste of the Pura Vida beach nightlife. Our driver is on call until you are ready to head back to head back to Tierra Magnifica

Forum gatherings:

I want to let you know what a fabulous time we have had at Tierra Magnifica! It has been our favorite forum trip ever! Your place is truly magnificent! Erica and Paco have been wonderful! We really appreciate all that they did for us and we loved their company! We met some very fun people. Latin dancing, paddle boarding, surfing and zip lining were a blast! And the food! Wow! Catianna (spelling), is amazing! This is very special place! Thanks again for everything! I missed seeing you, but I hope to come back soon! Blessings! Annette

Our forum group has gone on a retreat every year for the past 12 years and this was (in my opinion), our best trip yet. Tierra Magnifica is an amazing property. We had the place all to ourselves with it's incredible views and rooms. We had great service and delicious food. Steve and Erika planned a wonderful itinerary for us, that was a perfect combination of adventure and downtime. We had great massages, we did yoga, we went surfing (don't miss the surfing), we went ziplining, we went paddle boarding, salsa dancing and we laughed a lot! It was a very good trip for our group. Steve and Erika took care of every detail. I highly recommend a visit to Tierra Magnifica! Christina

The Tierra Magnifica staff are INCREDIBLE. They cater to your every need - ones that you vocalize and ones you never knew you had! They brought in massages, pedicures and yoga instructors (before I got there), so that we could get the most of our stay and the view! We stayed in their new rooms, and they were still being worked on as we were there! We opened up our window in the shower to the ocean, and were surrounded by magnificent views everywhere we turned. We woke up to the sound of monkeys and got massages in the rancho listening to the peace and quiet of the surroundings. Katia, the cook, is AMAZING. Her food is incredible, but more than that, she becomes like family when you are there. This was one of the most incredible vacation experiences ever. If you stay here, you will dream about coming back. I know I still am!

To fellow Forums:

Here is the down and dirty. Activities Surfing, ATV thru rainforest and ending at ocean, River Kayak and bonfire, hanging on property by pool & getting massages, going to local nightclub La Banana. Owner and Staff---excellent. Local flavor knows the ins/outs....Owner was former YPO'er and "GETS IT"---retreat facility on site if your forum chooses to "work" on retreat. Let me know what else I can provide. Book it this year or next.....you will not regret it. D J Rezac, Omaha

Our forum group has had some awesome trips over the years, but the trip organized by Steve was by far the best. If you're looking for an ideal trip....that is well organized, but really flexible.... you can't go wrong with these guys. "Steve really gets it. I got stuck with organizing the trip this year and he made me look like a hero!" Steve Chaimberlan Wisconsin

I am selling your place to everyone I know. You need to reach out to the Global people and offer a Forum Retreat Package. Thanks Steve. John Carter Houston

Your place is amazing and I have been telling Jennifer (my wife) and Sydney (my daughter) and Max (my son) about it ever since I have been home. I am definitely hoping to bring them there sometime soon. Thanks for opening my eyes to an amazing part of the world I had never traveled to before. All the best to you and your staff. I wish you much continued success. Sincerely, Brian Kobs Omaha
